

## New Product Announcement for Northern N2 Series

**Northern Video** is replacing several current models of its Cameras and Recorders. As a result, **Northern** is launching the new **N2 Series of products** in early June 2020. **The N2 Series** product line will offer similar quality products and feature sets customers expect when purchasing **Northern** products.

It is important to note that existing legacy products and the new **N2 Series** are both branded “**Northern**” but that there are changes to compatibility if mixing them together in a system. Affected will be plug and play setup, CMS compatibility and Mobile app selection. Please see below for compatibility information.

Legacy Series	Legacy Models	Notes:
<b>NVRPOE NVRs</b> <b>NVRPOEH Series NVRs</b>	NVR4POE, NVR8POE, NVR16POE, NVR3216POE, NVR4POEH, NVR8POEH, NVR16POEH	<ol style="list-style-type: none"> <li>1. Legacy IP Cameras &amp; Legacy NVRs on this chart are only Plug &amp; Play with each other.</li> <li>2. Legacy IVMS CMS software is only compatible with Legacy products on this chart.</li> <li>3.
